

This year the conference planning committee has scheduled an off-site maintenance demonstration and created an afternoon maintenance roundtable, especially for our park maintenance staff, on August 12th at [Golden Eagle Park](#) (ballfields) located about 10-15 minutes from the WeKoPa Resort. Anyone registered for the conference is welcome to attend.

Transportation not provided, attendees will meet at the park for morning demonstrations, then make your way back to the Resort to check-in and receive the conference delegate bag before the general session begins.

GEP Address: [15900 E Golden Eagle Blvd, Fountain Hills, AZ 85268](#)
