Josh Frewin: City of Cottonwood - Shooting for May 1st, but nothing announced yet - we are doing online fitness classes on facebook live and uploading to YouTube for fitness classes. We are also doing a Goosechase community scavenger hunt, Virtual Run/Walk Challenge, Fitness Bingo, etc.

paulac: How many views are you getting for your FB live

jmudd: Town of Marana - no reopen date. Concerns include summer staffing for aquatics, and how to reopen Senior Program

Alicia DiJulio: Depends on time of day, we try to aim early morning, 7 am lunch time and early evening 6 and we get anywhere from 20-40

paulac: Is that for live or taped classes?

Alicia DiJulio: Live

Josh Frewin: we have been getting anywhere from 5 - 60 depending on the class type and time

Eliza Hoffman: Are you doing prizes for those challenges with points? If so, what are you offering?

Josh Frewin: Then more views on YouTube after it is live

JP LaCroix: If we end up being shut down longer than anticipated, has anyone considered using their virtual classes as a source of revenue? If so, how do you imagine you'd do this?

paulac: With the senior population how are you marketing virtual classes?

Jeff Larsen: checking in with other states and cities and what they are doing, challenges, etc.

Mike Beadle: We are running an egaming league in the City of Goodyear. We live stream custom games and tournaments. It has been extremely successful. Our first video had 120 viewers on average for a 3 hour stream, and 1200 views since yesterday

Josh Frewin: We sent out information to Silver Sneakers promoting our classes and to all members of our Rec Center on finding the schedule for the live classes and how to watch them.

Mike Beadle: If anyone wants to check it out: <https://youtu.be/losN4uivf4g>

David Fierro: Does anyone have any outdoor amenities open - I.e. outdoor pickle ball courts? If so how are you managing play and social distancing?

Tonyb: City of Chandler works with a group called Televeda for the Seniors - It is all virtual for brain games, etc

Franz Fuhrmann: Goodyear's egaming streams are high quality!

Kevin: Are facilities limiting the number of people entering the building at one time or monitoring the number of people in each room/area throughout the facility? Are staff included in these numbers?

Jeff Larsen: way to go Tony!

Jeff Larsen: 

Jeff Larsen: Every amenity is closed.

Deanna Ortiz: City of Goodyear-all amenities are closed!

lmoore: Our tennis and pickle ball courts are open at this time. Our open spaces are open. Our ramadas are closed.

marianne.fulton: We had to put down sand in the skate park to get them to stop.

Karina Rodriguez: Any ideas on those facilities who have a basketball gymnasium and what that would look like when re-opening?

Rebecca: Flagstaff: all parks, open space, and trails are open. All park amenities closed except disc golf and ballfields.

Eliza Hoffman: Everything is getting really clean!

Brandon Washington: <https://www.advancedexercise.com/blog/ready-to-reopen/>

Larry Binion: We have linked SilverSneakers and Silver & Fit facebook pages on our Virtual Rec Center page to reach those tech savvy seniors.

CharK: Much needed facility facelifts are happening!

Larry Binion: Brandon, saw that this morning. Good stuff on it.

Larry Binion: Char-YES!

Franz Fuhrmann: Fitness Resources: openphysed.org/activeschools/activehome
shapeamerica.org dreamchasers.org/home fit.sanfordhealth.org

Deanna Ortiz: City of Goodyear-our staff are flexible and creative and we have ALL adapted to telecommuting and providing virtual recreation remotely.

JP LaCroix: Like many facilities, we supply exercise mats/yoga mats for our patrons in group-ex classes. We are now re-thinking that and are considering asking patrons to start bringing their own mats even once social-distancing ends. Any thoughts?

Franz Fuhrmann: youth sports development apps: homecourt.ai (basketball), technefutbol.com (soccer), dribbleup.com (soccer & basketball)

Elektra: Kevin can you share those policies?

CharK: Does anyone have any thoughts on when we can start having actual classes again on what the numbers will look like? Smaller class sizes, etc.?

Krista VanderMolen: That sense of empowerment for staff is huge!! Great job Maricopa!

Jeneea Jervay-Bush: What's a flobee?

Brandon Washington: Not I. What is this!

jonschumacher: You mean a suck and cut?

Laura Young: My husband was looking for one the other day

Larry Binion: PT Staff are a huge resource. Asking their input has to some degree reinvigorated them and kept them engaged through this.

Jeff Larsen: I just cut all mine off

Stacia Holmes: TBT

Rebecca: Flagstaff looked into Tik-Tok but it cannot be archived for public record so we've been told we cannot use it.

Brandon Washington: I did not Sam I am.

Mike Beadle: TikTok and Snapchat can't be archived for public record so it is difficult for cities to get approved via Legal

Stacia Holmes: watched and read....sent it out to Phx

Elektra: it's working

Elektra: share poll button

Elektra: I'm saying the host can share poll

Elektra: thank you
